

# ROCK BALLAD-Hot or Cold

## INTRO

Born with half a heart  
But with double the hope that life has a cure  
I'm running a race without an advantage  
To conquer the world with rock n roll  
And that is my cure

## VERSE 1

Everyone tells me,  
Johnny write a ballad,  
But I tell them wait,  
I have my whole life (ahead of me)

## CHORUS 2x

Is love,  
Hot or Cold  
God give me some time  
To feel it  
Before my heart starts to old

## VERSE 2

I still do not know  
what love is  
Maybe you can teach me  
Nobody knows

## CHORUS 2X

Is love,  
Hot or Cold  
God give me some time  
To feel it  
Before my heart starts to old

## VERSE 3

I still don't know  
What love is  
Show me  
Tell me the truth  
I need your proof
